About The Issue N°

Created by Editor-in-Chief Sofia Solas and Creative Developer Maria S.

The Issue N° is an independent online editorial magazine exploring fashion, identity, business and contemporary culture through visual storytelling and thoughtful long-form content. We shine a light on people, places and ideas shaping the creative and entrepreneurial landscape of today — slowly, deliberately, with intention.

Trinity Project

THEISSUE.XYZ

The Trinity Project combines storytelling, photography, and reflection to create a meaningful portrait of a person at a particular stage of their journey.

What's included:

- Personal interview and story discovery session
- Creative concept development
- Editorial photoshoot
- Professional photo editing
- In-depth feature article in THE ISSUE N°
- Publication in the magazine
- Social media mention

Perfect for:

- Entrepreneurs and founders
- Artists and creatives
- Professionals entering a new chapter
- Personal branding projects
- Individuals celebrating transformation and growth

Result:

A powerful editorial feature that combines visual storytelling and personal narrative, creating a lasting record of who you are and the journey that brought you here.
